ORDER:

In the reference 1st read above, the District Collector, Visakhapatnam while narrating the circumstances in detail with regard to the need of laying of Marine outfall at Pudimadaka (V), Atchuthapuram (M) for Atchuthapuram SEZ, has requested the Govt for approval of R&R Scheme and sanction of required budget as a special & exclusive case under AP R&R Policy as promulgated in G.O.Ms.No.68, I&CAD Dept., dt.08.04.2005 for the affected families of Pudimadaka (V), Atchuthapuram (M) towards laying of Marine outfall as per the decision taken by the Govt. with the Hon'ble C.M.

2. In the reference 2nd read above, the Vice Chairman & Managing Director, A.P. Industrial Infrastructure Corporation Ltd., was requested to examine the proposal District Collector, Visakhapatnam for approval of R&R Scheme and sanction of required budget as a special & exclusive case under A.P. R&R Policy as promulgated in G.O.Ms.No.68, I&CAD Dept., dt.08.04.2005 in lieu of announcement made by the Hon’ble C.M., for the affected families of Pudimadaka (V), Atchuthapuram (M) towards laying of Marine outfall and to offer his remarks in the matter to Govt.

3. In the reference 3rd read above, the Vice Chairman & Managing Director, A.P. Industrial Infrastructure Corporation Ltd., Vijayawada has submitted that as admitted by the District Collector none of the Pudimadaka Villagers are displaced by the work of Marine outfall pipe line along with CETP for the units operating in the Atchutapuram SEZ and accordingly decided to consider the work under the definition of ‘Project’ under R&R policy of the State Govt as elucidated in G.O.Ms.No.68, I&CAD Dept., dt.08.04.2005 to seek PAF package to the affected families and worked the budget requirement as Rs.61.00 Crores. Accordingly, the CE-II, APIIC has stated that the APIIC has developed the APSEZ in 5595.98 Acs of land which was allotted to various units which are at different stages of implementation. Environmental clearance from the MoEF, GoI was obtained by the APIIC duly following the procedure including public hearing and tenders were invited for CETP along with marine outfall separately and agencies were appointed for the same in 4/2015 & 5/2013 respectively.

4. The Vice Chairman & Managing Director, A.P. Industrial Infrastructure Corporation Ltd., Vijayawada has further submitted that the Pudimadaka Villagers obstructed the pipeline work on the ground that fishing catch will reduce due to pollution for their livelihood. As reported by the MoEF, GoI the livelihood of the Villagers will not effect by the treated effluent released by the marine outfall as per the Scientific study and will not reduce the fish population in the deep sea. But the Villagers do not agree to this. A series of meetings & deliberations were held with local Villagers by the Dist Administration, Dist Collector, local MLAs & public representatives and finally in order to resolve the stalemate, the Hon’ble CM in principle agreed an R&R package of Rs.1.25 Lakhs per family towards special

(P.T.O.)

compensation as an exclusive case duly extending the provisions of PAFs under AP R&R Policy as promulgated in G.O.Ms.No.68, I&CAD Dept., dt.08.04.2005. As such the District Collector has indicated that the package will cost approximately Rs.61.00 Crores which is to be taken as additional cost to the project of APIIC since, the APIIC has allotted lands to (480) Pharmaceutical units. Of these (27) Projects are yet to commence construction, (17) are under construction and (4) are in full production mode utilizing the existing Pharma CETP which are requires the work of sustainable operations on the CETP marine outflow to be completed as soon as possible. These (4) units have invested a total of Rs.231.76 Crores on the site to set up industry with a total employment potential of (889) persons and this investment will be at risk if the Project will stalls. If the CETP & Marine outflow work is not completed APIIC will see the exit of (17) units under construction resulting the loss of Rs.9,715 Crores and employment potential of (3,937) persons. Apart from this, there are (27) other projects which have pledged their investment for Rs.8,653.70 Crores & employment potential of (2,886) persons for the lands allotted comes to a total investment of Rs.18,600 Crores and employment potential of (7,712) persons as direct & indirect benefit which will be at risk if the marine outfall is not completed. The additional expenditure of Rs.61.00 Crores may be loaded on the balance land of 772.75 Acs available for sale in APSEZ including de-notified area and the expansion lands of about 2600 Acs gross area as this marine outfall pipe line is useful for the expansion lands also which costs approximately Rs.2.62 Lakhs per Ac due to additional R&R cost.

6. The Vice Chairman & Managing Director, A.P. Industrial Infrastructure Corporation Ltd., Vijayawada has therefore requested the Government to sanction and release the amount of Rs.61.00 Crores as special budget for arranging compensation as per G.O.Ms.No.68, I&CAD Dept., dt.08.04.2005, as requested by the District Collector, Visakhapatnam since it is an additional burden to APIIC to be loaded on the balance land of 772.75 Acs to be borne by the unit holders which will result the cost of land much higher.

7. Government, after careful examination of the report of the APIIC, hereby accord permission to the APIIC Limited, Vijayawada to pay an amount of Rs.61.00 Crores to the District Collector, Visakhapatnam for payment to the affected families of Pudimadaka (V), Atchuthapuram (M) towards laying the pipeline of Marine outfall and load this amount in the land cost on future allotments of the same Industrial Park.

8. The Vice Chairman & Managing Director, A.P. Industrial Infrastructure Corporation Ltd., Vijayawada shall take further necessary action in the matter accordingly.
